

**HEARTBURN,
REFLUX
AND ACIDITY**

**MEDICAL
DEVICE**

MAYDAY®

THE GASTRO-SOLUTION WITH EXTRA ALOE VERA

Mayday® suspension for oral use is indicated for the treatment of gastro-oesophageal reflux and for the alleviation of associated symptoms such as heartburn, acid regurgitation, reflux oesophagitis, dyspepsia, coughing and sore throat. Mayday® is also indicated for dyspepsia caused by poor digestion.

The product performs a fast and highly effective synergistic action:

- **Anti-reflux (due to sodium alginate)**
- **Antacid (due to sodium bicarbonate)**
- **Protective of the gastric mucosa (thanks to the pure Aloe vera juice)**

Specific natural active substances:

- Aloe vera juice and inner fillet gel
- Sodium alginate (vegetable)
- Sodium bicarbonate (mineral)
- Calcium and sodium carbonate (minerals)

Box 18 stick-packs x 10ml
Sales unit: 6 pieces
